## **CUSTOM BOAT LOADERS**

### **NOTES TO CLIENT**

**IT IS ESSENTIAL THAT THE INFORMATION OF THE VEHICLE AND BOAT GIVEN BY ARE CORRECT.**

**IF AN INCORRECT BEAM WIDTH IS PROVIDED THEN THE BOAT MAY NOT FIT THE LOADER (BE TOO WIDE FOR THE LOADER).**

**IF THE BOAT WEIGHT IS UNDER-ESTIMATED IT MAY BE TOO HEAVY & MAY REQUIRE A 100:1 GEARBOX, OR EXCEED THE ROOF CARRYING CAPACITY OF THE VEHICLE.**

**IT IS YOUR RESPONSIBILITY TO PROVIDE CORRECT DETAILS.**

**ARE ANY GUNWALE RAILS FITTED? - A FULL RAIL IS FINE BUT A BOW AND A SEPARATE STERN RAIL WON'T WORK. EITHER THE STERN RAILS WILL NEED TO BE REMOVED OR A RAIL INSERTED IN THE SECTION BETWEEN THE STERN AND BOW TO MAKE A FULL RAIL.**

**HAVE ANY OTHER MODIFICATIONS BEEN MADE TO THE BOAT THAT MAY AFFECT THE OPERATION OF THE LOADER?**

**THE CLIENT IS RESPONSIBLE FOR ANY COSTS INCURRED TO RECTIFY PROBLEMS ARISING FROM PROVIDING INCORRECT INFORMATION!**

**IF IN ANY DOUBT PLEASE REFER BACK TO CUSTOM BOAT LOADERS :-**

**BILL MANEY (08) 9397 0408 / 0429 112 526 OR CAMERON MANEY 0438 951 850.**
